AUTEC NORTH AMERICA COOKIES POLICY

The technologies we use for this automatic data collection may include:

- **Cookies** (**or browser cookies**). A cookie is a small file placed on the hard drive of your computer. You may refuse to accept browser cookies by activating the appropriate setting on your browser. However, if you select this setting you may be unable to access certain parts of our Website. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies when you direct your browser to our Website.

- **Flash Cookies**. Certain features of our Website may use local stored objects (or Flash cookies) to collect and store information about your preferences and navigation to, from, and on our Website. Flash cookies are not managed by the same browser settings as are used for browser cookies. For information about managing your privacy and security settings for Flash cookies, see Choices About How We Use and Disclose Your Information.

- **Web Beacons**. Pages of our the Website and our e-mails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit AUTEC, for example, to count users who have visited those pages or opened an email and for other related website statistics (for example, recording the popularity of certain website content and verifying system and server integrity).
